Reasons for Allowance

1. The following is a statement of reasons for the indication of allowable subject matter:

With reference to claims 1-16, the prior art of record does not disclose or clearly suggest a linear measuring system comprising at least two segments identically created for the generation of absolute values, each of said at least two segments including a measurement track for generating the absolute value within said segments recorded by an appropriate scanning head, and at least one suitable track for determining the absolute value of the particular segment reached by a sensor arrangement, said scale being a structured material characteristic or a structured surface on a material, in combination with the remaining limitations in the claims.

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Travis M Reis whose telephone number is (571) 272-2249. The examiner can normally be reached on 8--5 M--F.
